In ground \_\_\_\_\_ Above Ground \_\_\_\_\_ Size \_\_\_\_\_

Private swimming pools may be erected or installed only as an accessory to a dwelling, private club, community building or commercial structure for the use of the owner(s) or occupant(s) and family(ies), quests and/or invites. Such swimming pool shall not be erected nearer than twelve (12) feet from the rear or fifteen (15) feet from the side property lines of the lot, sixty (60) feet front yard setback, and shall not occupy more than ten percent (10%) of the area of the lot on which same is located.

**Plot Plan shall be submitted with application showing proposed location of pool, location of septic system, and all electrical utility lines (buried and overhead) in the vicinity of proposed pool location.**

Fence installation shall comply with the New York State Uniform Fire Prevention and Building Code. Electrical installation shall comply with the National Electrical Code (NFPA 70).

**A Town approved Electrical Inspector must inspect electrical installation before burying.**

**Pool must not be used before the Building Inspector completes a final inspection and a Certificate of Use is issued.**
