

**Jenkins Park Advisory Board**  
**Saturday April 16, 2016**  
**Meeting Minutes**

Attendance: Bill Bechtel, Kim Heikaus, Kim Ireland, Dennis Pokrzywka, Dan Richardson, Lynnette Ziskin,

~The Jenkins Park Advisory Board unanimously approved the mowing contract for Dan Zappolo (an additional \$20 for the main cut = \$300; formerly \$280).

~Discussion ensued regarding the upgrade of electricity at Jenkins Park. The estimate for upgrading the electric by 30 amps is \$250. The JPAB agreed to upgrade an additional 20 amps for an additional \$150. The JPAB unanimously approved the electricity upgrade with the condition that the total cost will not exceed \$400.

~Carlos Falcon's Adrenaline Fitness & Training program at Jenkins Park was effective on April 12, 2016.

~Mike Bynon (Two Brothers Volleyball) will host 2 volleyball tournaments this season at Jenkins Park.

~Discussion ensued regarding the dog owners using the baseball fields to exercise their dog(s). Jenkins Park is 42 acres with lots of open space and a couple miles of trails. Baseball fields are not a "dog park". It is a hygiene issue when dogs are allowed on a baseball field where children are playing. Even if there are no "piles" on the field (but there are always) it is not acceptable and extremely unsanitary for adults and children to be running, playing, sliding etc. on grasses where dogs have been urinating. It was unanimously agreed that signs will be placed on the small baseball field stating "Please, No Dogs" due to the hygiene issue that occurs when dogs are allowed on a baseball field.

There will not be another meeting in April. The next meeting will be held on May 25 at 7:00 p.m. at the Ballston Town Hall. This meeting will be held in conjunction with the Annual Meeting.
