

A bid opening was held at the Town of Ballston Town Hall in the Meeting Room at 2 p.m. on March 16, 2017.

The purpose of the bid was to request proposals to provide services of the rehabilitation of the interior of the riser at the Burnt Hills Water Storage Tank. Work shall include, but is not limited to, sandblasting, surface repairs and painting the interior of the water storage tank riser.

Present were Highway/Water Superintendent Joseph Whalen, Town Engineer Kathryn Serra of C.T. Male, and Town Clerk Carol Gumienny.

The Clerk opened the bids and they were read aloud. The bids were as follows:

SPENSIERI DIVERSIFIED, LLC.....	\$102,000
AMSTAR OF WESTERN NEW YORK.....	\$117,400
ATLAS PAINTING AND SHEETING CORP.	\$168,000
WORLDWIDE INDUSTRIES CORP.....	\$198,300

Ms. Serra will review the bids to make sure all qualifications and specifications have been met. She will make a recommendation to the Board at the next Board meeting.

Respectfully submitted,

Carol A. Gumienny
Town Clerk
