RE: Special use permit 138-8 Custody of Poultry

Dear Members. of the Town of Ballston zoning board.

Due to circumstances beyond my control! with summer vacation schedules with my neighbor's and Cornell Cooperative Extension I have not been able to meet the dead line of the information that the board has ask of me at this time.

I would kindly like to ask the Zoning Board for an extension to the next meeting so that I may meet your requirements.

Thank you in advance for your consideration to this matter.
