**Re: Freshwater Wetland Jurisdictional Assessment  
60 Middleline Road  
Town of Ballston, Saratoga County**

Dear Amanda:

I have reviewed the official Department of Environmental Conservation (DEC) wetland maps for the Town of Ballston in Saratoga County. There are no DEC regulated Freshwater Wetlands on or near the above-described property. Therefore, DEC has no Article 24 jurisdiction in this matter. Please note that if there are any wetlands on the parcel, while not under DEC jurisdiction, they may fall under the jurisdiction of the US Army Corps of Engineers. They can be contacted at (518) 266-6350.

If you have any questions regarding the above-referenced project as it relates to the DEC freshwater wetland regulations, please contact me at (518) 623-1250. If you have any questions regarding permitting, please contact the Division of Environmental Permits at (518) 623-1200.

Sincerely,

Jed Hayden
